

Do you have an awkward area that requires scaffolding?

Access Scaffolds have equipment that can be customised to give you access to the most difficult areas and spaces. Our specialties are:

- ◆ Narrow spaces
- ◆ Small areas
- ◆ Along fence lines
- ◆ Void protection
- ◆ Terraced blocks
- ◆ Stair wells
- ◆ Lift shafts
- ◆ Chimneys
- ◆ Balconies
- ◆ Sloping roofs
- ◆ Sprinkler heads
- ◆ High lights

CUSTOMER SERVICE

Not sure what you might need?

Talk to our service team who will ask you the questions that need to be answered like: are there power lines in the area, is it on a slope or through a garden bed?

While planning your project, we are able to meet you on site to discuss your requirements and offer you a free quote.
